### Clarifying Questions

1. Where would this be located if it is used? Would it be under Arts Group Advising or through Class Search Tool/ Sisweb/ Oasis?
2. Could we use this in our actual office on a tablet or something similar?
3. If I graduate, how and who will manage this project to keep it relevant with classes offered
4. Is there a way that other departments could use a similar program?
5. As a side spring project, can I make a user manual to make the program more easily editable for future users?
